# *Wellness and Fitness*

Eliz Bradley, Wellness Director

Great Hills Country Club's new Wellness Center provides members a comfortable and safe environment for getting and staying in shape with a fully equipped weight training and cardio area, group classes in a spacious and bright room, as well as workshops and small group private instruction, available for use 7 days a week. Members also enjoy access to Personal Training both for general fitness and as cross training for Golf and Tennis. Whatever your fitness and wellness goals, our talented training professionals are here to support you with expert knowledge and encouragement each step of the way.

## *Wellness and Fitness Offerings*

### Cardio Fit

This Class is a full body conditioning that combines high energy cardio, plyometrics, and mobility exercises, with some strength training. This is a great workout for anyone who wants to work on endurance, manage weight, is looking to increase range of motion or just wants to work on their general fitness and have fun! Expect to use equipment such as hand weights, medicine balls, steppers and sliders to name a few.

### Functional Fit

Functional Fit is a well-rounded full body workout that combines traditional large muscle calisthenics such as lunges, squats, and pushups with weight distribution and balance exercise that strengthen smaller supporting muscles. The results are long lean lines, more functional strength, wider range of motion, and better balance and posture. We will use a mix of light and heavy hand weights and spend some time on joint stability by moving our bodies dynamically in all directions.

### Yoga Flow

Stretch and strengthen in this all-levels yoga class. If you are looking to prevent injury by gaining flexibility, reduce pain in your knees and back, gain better posture and body awareness, or are looking to learn how to take deeper breaths and relax, this class is perfect for you! It requires minimal equipment and will leave your feeling refreshed and centered.

### Mat Pilates

Mat Pilates is all about core strength and spine health. Using classic mat pilates exercises you will strengthen your core, work on mobility and flexibility of the spine, and get stronger and taller. This is a great cross training workout for Golf and Tennis athletes looking to tighten their core and their swing!

### Chair Fit Class

We are very excited to be offering this new all levels fitness class, geared toward folks of all ages that are looking for some gentle movement-based exercises. What better way to work out than (partly) sitting down! Get a full body workout using resistance bands, body weight and a chair.

### Barre Fit

Barre Fit is a workout technique inspired by elements of ballet, yoga, and Pilates. It focuses on low-impact, high-intensity movements designed to strengthen your body in ways that few other workouts can. In addition to building strength, this full-body workout also develops agility and flexibility and helps lengthen your posture. You will use the barre and your body weight and focus on high reps to engage smaller, supportive muscle groups. We also incorporate tools like resistance bands, ankle weights, free weights, Pilates rings and exercise balls to challenge the body and keep it guessing!

## Aqua Fitness
Aqua Fitness combines the principles of Pilates and Barre class, with the water and equipment of aqua aerobics. Feeling supported by water, and with no impact to the joints, you use resistance to strengthen and lengthen muscles, lubricate and heal joints, all while not breaking a sweat! This class can be as challenging or as therapeutic as you want it to be. If you want to work on pelvic stability, core and upper body strength, add aqua ankle weights, and webbed gloves!

## Power Dance
Power dance is a high energy, all-levels dance class with a great workout built-in. It's also an opportunity for personal growth and empowerment, set to amazing music and held by a sense of community without the pressure of judgment. Just tons of fun!

## Active Recovery
In this 30-minute class, we will use foam rollers and tennis balls to focus on actively rolling muscle groups like quadriceps, hamstrings, and back, as well as offering trigger point release via tennis balls to help loosen the muscles of glutes, hips, and shoulders. The purpose of this offering is to teach members to self-massage and ease tension in the body from overworked muscles, mange pain and prevent injury. Think of this class as a tune up for the body so it can function more optimally.

## Candlelight Yin Yoga
Yin Yoga is a passive practice of yoga that focuses on the opening fascia in the body. Fascia is the connective tissue of the body that runs beneath the skin, over organs, muscles, tendons, and the skeletal system. With injury, surgery, or overuse, the fascia can get stuck, creating tightness or misalignment in the body. Opening the fascia can allow for the body to function more appropriately and can reduce pain and inflammation, and even assist in preventing further injury in the body. Yin incorporates breath work, while holding the postures.

**MONTHLY MEMBERSHIP** $60 per month, per family. Unlimited group classes per month. (ages 14+)

**PUNCH PASS** See Wellness Director for rates.

**DROP-IN CLASS** $15 charged day of taking the class. $20 for Guests, must be accompanied by a Member

**WELLNESS ROOM HOURS**
Monday – Sunday 5:00 am – 10:00 pm

**AGE REQUIREMENTS**
Must be 16+ to use fitness facility
Kids 14 – 15 Required to be with a parent or guardian
Kids 13 and under not permitted at any time for safety reasons

**FITNESS KEY FOBS**
$5.00 Must be purchased at the front desk. Allows access to the wellness room from outside of the clubhouse on the back porch.*Must be 16 years of age or older to sign for a key fob.

## Fitness Assessments
Most of us want to get fit and healthy but don't know where to start, or what weight and exercise plan is right for us. Having a fitness assessment guided by a professional trainer will shine light on where you are in your flexibility, range of motion, strength and endurance, and will help you to create a fitness plan specific to your needs.

## Workshops
Workshops are one off classes that will cover specific topics and exercises to promote health and wellness and usually run between 90-120 min long. Examples of workshop topics are nutrition tips to help reduce inflammation, mindfulness for better focus, introduction to a new style of fitness class like kid yoga to name a few.

WORKSHOPS: $35 charged day of taking the class.
$40 for Guests, must be accompanied by a Member.

GREAT HILLS
COUNTRY CLUB

Jasper Davis
RUSH Head Coach
swimcoach@greathillscc.org

# *Pool and Swim Team*

Samantha Stemmermann, Aquatics Director
ASCA Level 3 Coach, Crossfit L1 Trainer
Teaching Professional since 2004
USA swimming certified coach since 2006

RUSH - Great Hills Aquatic Rush:
A USA swimming registered year-round swim team for swimmers of all ages and abilities. Swimmers attend meets all over Texas offered through USA Swimming.
www.swimRUSH.org

Gators:
Summer league swim team for kids ages 5 – 18. Gators starts May 1st and finishes the end of June. Kids must be able to swim a full 25 yards freestyle unassisted to make the team.
gators.swimtopia.com

Masters Class:
Year-round fitness class open to adults of all swimming abilities, 18+. Get a head start on triathlon season, get in better shape, and fine tune your swimming skills.

Swim at your Own Risk:
During hours while no lifeguard is on duty there are specific safety procedures that must be followed. All members wanting to use the pool must fill out a Release of Liability Waiver and turn into the Aquatics Department

Swim Lessons:
Great Hills Aquatic Rush prides itself in providing the most comprehensive swim lesson program in the area. We teach swimming not only as a life-saving skill, but as a life-long sport.

Our programming consists of the basic skills to survive in the water as well as diving, flip-turns and proper swimming techniques in all four competitive strokes: Butterfly, Backstroke, Breaststroke and Freestyle. We offer private, semi-private as well as group swimming lessons.

Pool Hours (Lifeguards are on duty. Tiki bar and pool side service is available):

May & August:
Saturday 11:00 am - 8:00 pm
Sunday 11:00 am – 7:00 pm

June & July:
Monday pool closed
Tuesday – Friday 12:00 pm - 8:00 pm
Saturday 11:00 am – 8:00 pm
Sunday 11:00 am – 7:00 pm

GREAT HILLS
COUNTRY CLUB

# *Golf Associations*

## Men's Golf Association

We would like to introduce you to the Men's Golf Association (MGA) and encourage you to join. Annual dues are $150. The MGA conducts 10 or so fun oriented tournaments per year on Saturdays. The MGA welcomes all skill levels and ages, so no matter what your handicap or your experience with tournament golf, you will fit right in. We usually play a variety of best ball team formats where each player plays his own ball, but occasionally we play different games such as 2-flag or scramble.

The MGA perks, covered with your annual dues include:

- 10 events per year with a wide variety of fun formats.
- Includes two Daniel Cup qualifier rounds.
- Very generous prize money in the form of pro-shop credits. (Approximately 60% of the MGA revenue is paid out in prize money).
- Complimentary soft drinks on the course during play.
- Two lunches per year. (first event and last event).
- Keg beer on the porch of the clubhouse after each Saturday event.
- Instructional clinics conducted by the Club Pros before the event.
- Maybe the most important benefit for new members is that it offers a great opportunity to meet your fellow GHCC members in a friendly environment. Many long lasting friendships and regular foursomes have been established by getting together with the guys you met during MGA events.

We sincerely hope your experience at Great Hills is enjoyable and we look forward to seeing you on the course or in the clubhouse this year. To join the MGA, just stop in at the pro shop or call to sign-up. We'll see you soon!

## Women's Golf Association

The purpose of the Women's Golf Association (WGA) is to promote good fellowship among its members and to stimulate and encourage active participation by its members in golf and golf-related activities. The annual dues are $110.

WGA play days are every Tuesday of each month beginning in February and ending the first week in December. All you need to do is sign up in the pro shop by Sunday. General meetings are held on the first Tuesday of each month immediately following play. In addition to our regular play days we offer a number of tournaments throughout the year.

Our association is very diverse. We have all age groups and all levels of golfing ability. Some of our members are retired, some are employed and some are mothers of school age children. Many of us compete in the Austin Women's Golf Association's monthly tournament. These competitions and invitational tournaments allow us to play on most of the courses in and around Austin.

I hope that you will consider joining the WGA. We welcome the opportunity to have you as one of our members.

## Junior Programs

Our Junior Programs are created to promote a love for the game of golf to our juniors. We help them improve their golf game as well as foster new friendships and encourage family time together. We have many activities, including Parent/Child play days, clinics, games, and other fun activities!
